ABOUTME

With over four years of experience in the Business Process Outsourcing (BPO) industry, I have excelled in roles as a Customer Service Representative for 4 years and subsequently as a Subject Matter Expert (SME), Quality Assurance (QA) professional, and Trainer for an additional two years. I am currently seeking a challenging position within a reputable organization that not only allows me to apply my acquired skills but also offers opportunities for continuous learning and knowledge expansion.

EXPERIENCE

TASKUS ANTIPOLO

Teammate - June 2022 - Present

As a Teammate (aka agent) I am responsible for monitoring and evaluating user-generated content on digital platforms to ensure compliance with established guidelines and policies. Execute content reviews, identify and address inappropriate or harmful material, and contribute to maintaining a safe and positive online environment. Collaborate with cross-functional teams to escalate issues and continuously enhance content moderation strategies.

INSPIRO RELIA INC.

Admin Assistant (Payroll) - MARCH 2022 - MAY 2022

Responsible for generating comprehensive attendance data for seasonal customer service representatives, ensuring meticulous documentation for accurate recording and processing of their attendance for monthly compensation purposes.

VALOR GLOBAL

Viewer Experience Advocate - JULY 2020 - FEB 2021

As a Viewer Experience advocate, I was responsible for handling service chats and emails for Hulu regarding account inquiries, plan upgrades, and more.

AMAZON OPERATIONS SERVICES PHILIPPINES

Resolution Specialist - DEC 2018 - JULY 2020

In the role of a Resolution Specialist, I served as a Subject Matter Expert, overseeing the management of escalations in supervisory calls, emails, and chats. Additionally, I conducted coaching sessions for Quality Audits on a daily basis, ensuring the continuous improvement of associates under my purview. As an Interim Trainer, I successfully facilitated three classes for the Amazon Driver Support Account, contributing to the professional development of new team members.

KGB PHILIPPINES

Wireless Care Representative - AUG 2017 - JULY 2018

As a Wireless Care Representative, I was responsible for handling service calls, troubleshooting, as well as promote and cross sell value added services to various customers within the US.

TELEPERFORMANCE PHILIPPINES

Customer Loyalty Specialist – Level 2 - AUG 2016 - JULY 2017

I was trained for Customer Retention, Escalation Resolution, and Technical Support. I was responsible for handling service calls, escalations, troubleshooting, as well as promote and cross sell value added services to various customers within the US.

PART TIME JOBS

KIKC GiBer

Amazon Product Researcher Jun 2018 - Jan 2019
Responsible for finding products from online supplier websites that could be sold through Amazon.com, using various criteria such as profit, sales rank, and return on investment.

CY Shop

Shopify Store Management August 2019 - April 2020
Maintain and make regular updates to Shopify store including, product updates, page listings and inventory management. Online store management including shipping updates, vendor and customer communication.

Toona Pasig

Facebook Store Management Feb 2021 - Sept 2021
Responsible for managing the day-to-day operations of the company's Facebook page including, product updates, page listings and inventory management. This includes creating contests or promotions, launching new ad campaigns, or implementing other tactics designed to attract new followers or encourage existing ones to take action.

EDUCATION

ZUITT CODING BOOTCAMP

Full-Stack Web Development Feb. 2021 - April 2021

The Developer Career Program is inclusive of in-depth modules on static and dynamic web applications, with emphasis on the development of well designed integrated software. The course covers key concepts on full- stack web development, including Responsive Web Design, Rapid Prototyping and Product Deployments.

St. John Bosco Institute of Arts and Sciences, Makati, Philippines
